Professional Support Stipend

HawaiiUSA Federal Credit Union recognizes the need within our educational community to provide support to professional and para-professional educators. Through a common commitment and desire, HawaiiUSA FCU and the Hawai'i Department of Education's (DOE) Personnel Development Branch (PDB) formed a partnership to extend opportunities for career enhancement for DOE personnel. Funds targeted specifically for professional growth have been awarded to PDB from the proceeds of the Credit Union's annual golf tournament. This generous proposal fosters the commitment to professional growth by both parties and enhances the partnership between PDB and the Credit Union.
