

## Elite Checking Qualifications

The qualification cycle is a period beginning one business day prior to the current statement cycle through one business day prior to the close of the current statement cycle. In order to receive the rewards that the Elite Checking account offers, you must meet the following qualifications for each qualification cycle:

- 10 or more debit card purchases (including point-of-sale purchases), excluding ATM transactions.
  - Debit card transactions must be considered “settled” to be counted within each qualification cycle. A settled transaction is one that has been posted to an account.
- Receive one or more direct deposit(s) or ACH debit(s)/credit(s) through this Elite Checking Account.
- Enrolled in eStatements.
  - Signing up for an Elite Checking account does not automatically enroll you in eStatements. eStatements is a self-enrollment process through Online Banking. Should you have any questions regarding the enrollment process, our member service representatives will gladly assist you.
