

# Kasasa Cash Back: Qualifications – 2022

Reward yourself with cash back on purchases and nationwide ATM fee reimbursements of up to \$20 at the end of each month just by meeting **three (3) easy requirements** within each qualification cycle<sup>1</sup>:

## 1. Make 15 or more debit card purchases<sup>2</sup>

- Includes point-of-sale (POS) purchases.
- Payments made by a payment app or Peer to Peer is included if transfers are set up through your Kasasa Debit Card.
- Excludes ATM transactions or transactions that go through the ATM network or transactions that clear as a bill payment, per merchants' discretion.
- Please note that debit card purchases may not post to your Kasasa Cash Back Checking account immediately. We advise that you make debit card purchases 5-7 days prior to the end of the qualification cycle and/or make more than 15 debit card purchases.

## 2. Enroll and receive eStatements

- Signing up for a Kasasa Cash Back Checking account does not automatically enroll you in eStatements. eStatements is a self-enrollment process through HawaiiUSA Online Banking. You will need an active email address to begin. Should you have any questions regarding the enrollment process for Online Banking or eStatements, our service specialists will gladly assist you.

## 3. Receive one or more direct deposits, conduct one or more ACH debits/credits, or make one or more payments using HawaiiUSA Online Bill Pay payments through this Kasasa Cash Back Account

- A direct deposit, ACH transaction, or HawaiiUSA Online Bill Pay payment must post in your Kasasa Cash Back Checking account within the qualification cycle. Since HawaiiUSA FCU has no control over when and how merchants process their transactions you can:
  - Set up more than one deposit or withdrawal that can post within the qualification cycle, or
  - If it is possible, change the date of the merchant's billing cycle so that it posts within the qualification cycle.
- Transfers between HawaiiUSA accounts do not qualify.
